

NOTES

Extra Important information

HEALTH POLICY

Done By:

HANEEN FREHAT

2023

WHO

(WHO) Director General : Dr . Tedros Adhanom Ghebreyesus

1

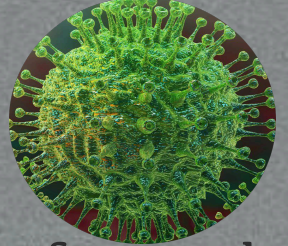

In May , He Declared an End to COVID-19

Public Health Emergency

Life has returned to normal

Marked a Turning Point for The World

Three Years of Crisis, Pain and Loss for people

2

Announced the mpox outbreak

(تفشي الجدري)

But no longer represented
a global health emergency

3

WHO approved new Vaccines for :

Malaria

Dengue

Meningitis

4

Devastating Attack on Gaza

Which has killed more than 20,000 people mainly
Women and Children and injured over 53,000

Hospitals and Health Workers have been repeatedly Attacked
(While Relief Efforts are not Coming Also)

22. December

Only 9 Of 36 Health Facilities
in Gaza Were Partially
Functional with Only 4
Offering the most basic of
Services in the north

WHO continues to call for
an Immediate Ceasefire

5

War and armed hostilities sadly have plagued
too many other locations around the world

SUDAN

Ukraine

Ethiopia

1

Myanmar

GAZA
